For the daily routine or for work - the black AMG backpack with red lining inspires with its versatile uses. The 25-litre backpack can hold all kinds of things - from laptops to documents to wallets. There are two main compartments with 2-way zips, various inner compartments and additional zipped compartments on the outside and inside. There is also enough space in the elastic mesh drink compartments on both sides to transport bottles standing upright. Thanks to the breathable, reinforced back and adjustable shoulder straps, the backpack is also comfortable to wear.

The perfect size for a relaxed short trip: With its volume of around 60 litres, the AMG weekender offers enough space for everything needed for two to three days. In addition to various zipped compartments inside and out and a separate shoe compartment, the bag also has a large main compartment that can be closed with a 2-way zip with red pullers. For extra carrying comfort, the weekender made of a fine mix of materials also has leather carrying handles and a detachable and length-adjustable carrying strap, which is also made of high-quality leather. A co-branded embossed logo on the front and inside completes the sporty and elegant design.

MASTER & DYNAMIC

The wireless AMG over-ear headphones (MW75) are the exquisite result of a joint design development with Mercedes-Benz Design and the premium audio brand Master & Dynamic. They are characterized in particular by their three-stage Active Noise Cancelling, including Adaptive ANC, which adapts the degree of noise suppression to the surroundings.
